

I'm not sure how to start this note but I feel we NEED TO TALK. I've been thinking about us A LOT lately. Things used to be so great... it was like we were M.F.E.O.!!! ♡♡, I mean everyone said it we were such a perfect couple! I really thought we would be together forever but then things changed!

I feel like you started to take me for granted. You just started to do whatever you wanted and never even asked me about anything or how I felt.

I've been thinking about this for a while and I don't want to hurt you but I think it is time we broke up! I mean it's just not going to work between us. I really feel like I need some time by myself to see what it is like on my own. Every time I try to bring up our problems, it seems

like all you do is ignore me and act like all that matters is you. I try to be supportive of you but that doesn't seem to matter.

I am sorry that things didn't work out but I DO THINK YOU ARE THE ONE TO BLAME FOR OUR BREAKING UP!

I'm sorry but the "US" is over!
